RE: **WINTERFEST** 2010 SPONSORSHIP

---

Winter is here, which is wonderful because it means our 7th Annual **WINTERFEST EVENT** is just around the corner! The Planning Squad has set the date for Friday February 26 and Saturday February 27 2010.

**WINTERFEST** is a two day event which fosters Teamwork, Community Spirit and Active Living by bringing together teams of people to compete and showcase their talents through various events. These events are organized to challenge people mentally and physically and to bring out people's creativity, strength and teamwork skills. Some of these events include log sawing, snow sculpture building, moose calling and many, many more fun and exciting challenges.

**WINTERFEST** has been largely successful in the past due to the tremendous support of community and corporate sponsors. This is the 7<sup>th</sup> annual event and it has become widely popular, with many people looking forward to it each year. We wish to invite you, your business, or your organization to join the **WINTERFEST SQUAD** through sponsorship of **WINTERFEST** 2010.

Our Sponsorship package allows your business to choose the event you would like to sponsor and have it named after your company. A base sponsor fee of \$100 has been set for each event, however, there are varying costs to sponsor an event depending on the supplies required. Check out the enclosed brochure for more information!

If you have any questions please feel free to contact Nici Carmichael at 821-4012

Sincerely,

Nici Carmichael
