Banner of Remembrance

Sponsorship Application Form

The Banner of Remembrance Program is an initiative to pay tribute to our local veterans and active service members. Similar to other successful banner programs already established across Canada, this program will be an ongoing legacy project. Through the displaying of the banners, we hope to engage the community and region, in honouring and remembering local veterans through an initiative that will ensure continued recognition and respect throughout future generations.

Banners will be displayed from October to November and removed after Remembrance Day. Applications for the veteran's banners are available from the Town of High Level website, with cut off July 31 of each year. Sponsorship opportunities are available for individuals or corporations, by completing the following information and submitting to the Town of High Level.
