The application has been APPROVED, subject to the conditions on the attached sheet. Note: It is the responsibility of the Applicant to meet the conditions of approval and to obtain any necessary permits from any approval agency listed above.

General Conditions

This permit is issued subject to the following conditions:

- SPECIFICATIONS** – When applicable, all work shall be completed in conformance with current Town of High Level Bylaws, Municipal Construction and Engineering Standards.
- MAINTENANCE OF UTILITIES** – the Applicant, and their contractor(s), shall protect existing utilities within the work area. The Applicant shall be responsible for any damage to existing utilities caused by the operations undertaken with this permit.
- SAFETY** – the Applicant and their contractor(s) shall provide and maintain all necessary traffic control devices to ensure a safe work area and properly controlled traffic.
- PAVEMENT CUTS** – All pavement edges must be squared, straight and not undermined. Replacement shall conform to the Town of High Level Municipal Construction and Engineering Standards.
- HOURS OF OPERATION** – Town Bylaw prohibits construction on Saturdays and Sundays between the hours of 11pm and 8 am, and on weekdays between the hours of 11 pm and 7 am.
- RESTORATION** – the Applicant and their contractor(s) shall be responsible for restoration of the entire work area to an equal or better condition.
- FUTURE USE OF RIGHT-OF-WAY** – Approval of this permit application shall not diminish the Town of High Level's future use of the street or alley right-of-way. The Town of High Level reserves the right to require the Applicant to remove and/or relocate all or part of the facility covered by this permit which may be in conflict with the Town of High Level's desired use of the right-of-way. Such removal and/or relocations shall be without any cost to the Town of High Level.

The issuance of this permit does not relieve the owner or applicant form responsibility for complying with:

- The requirements of the *Safety Codes Act* of Alberta;
- The Town of High Level Building Permit and Standards Bylaw; and
- The requirements of any other appropriate Federal, Provincial or Municipal legislation.
